### THE PERFECT FIT

Whether you are hosting a small get-together or a large family gathering, our dining table selections should be able to accommodate any number of guests. Just add an extension leaf to increase your table space. Bench seating is also available in select collections.

### STRONG AND SAFE

Many of our dining table tops are made from 5x stronger tempered glass. Our glass tops have been specially treated and tested to ensure strength and safety. They have also been professionally fused to the table base to create a long-lasting piece for your dining room.

### STORAGE SOLUTIONS

Coaster also offers a variety of dining collections with matching china cabinets or buffets. Illuminated with touch lighting and accentuated with a mirrored back, our china cabinets are the perfect place to store and display your special dishes and keepsakes. Many of our buffets also come equipped with plenty of storage and a wine rack.
