## #2008, #2056, #2256(B,K,R,W), #2258(B,K,R,W)

Coaster is voluntarily recalling the above bunk beds for potential problem associated with the spacing of the steps on end structures. To verify if you have one of these beds, check for a sticker on the bed that mentions "Coaster or Coaster Co. of America".

These beds were distributed between June 1, 2000 and February 28, 2004.

Although no one has been injured using these beds, we urge you to call the number below to receive a kit to install on the bed. The kit is FREE and takes only 10 minutes to install with tools provided.

There is no need to return the bed. Only a retrofit kit is needed, and can be mailed to you.
